PRAYING FOR ISRAEL

THE REGATHERING OF GOD'S PEOPLE

We are in the time in history – a Kairos time – where God is regathering His people of Israel from the lands where they were scattered for His Name's sake (Jer 31:10; Is 49:22, Ez 36:24-36; Is 11:11-12).

- We must pray for the 'vine' (the Jewish people here in America) to be removed whole and transplanted healthily in Israel. Pray for ears to hear and eyes to see (Is 6) that He is calling them home (Hos 11:10).
- As antisemitism increases worldwide, pray that it will be a goad to awaken the Jewish people – the apple of His eye – to return home (Ps 17:8).
- Thank God for the Jewish families and young people who are returning home to live in Israel. Pray for blessing as they return and settle (Jer 23:3, 7-8).
- Pray for the church to help His people return home, trusting God's promises for their salvation to occur in the land of Israel (Rom 15:26-28; Zech 12-14).
- Pray that the Lord Jesus would reveal Himself to His people as their coming Messiah (Ez 36:24-28).
- God's reputation is the basis for Israel's restoration. It is ALL for His Name's sake (Ez 36:20-23; Ez 20:22-23). May God magnify Himself among the nations as Lord.

PRAYING FOR ISRAEL

THE JUDGMENT OF NATIONS

How America treats the Jewish people, and the land of Israel to which God is married (Is 62:4), will determine if we are a sheep or a goat nation (Mt 25:32).

- Pray for the veil of deception to be removed from governmental leaders who desire any 'peace plan' pressuring Israel to 'divide the land' (Ps 33:10-11; Joel 3:1-2).
- Not even the Jewish people were allowed to buy or sell the land Israel permanently (Lev 25:23). Pray against pressure to trade land for false peace before the Prince of Peace reigns from Jerusalem!

INTERNAL AND EXTERNAL SECURITY

Psalm 83 reads like today's headlines. Internal (Hamas, Fatah, Islamic Jihad) and external (Hezbollah, Iran, Turkey) threats surround Israel, a constant threat to the fragile peace in the nation.

- Pray for Israel's Prime Minister and leaders to have wisdom in dealing with threats. Pray leaders would look to the only true protection—the God of Abraham, Isaac, and Jacob (Ps 121:1-4; Ps 124).
- Pray for physical protection for the nation, its land, and settlers along Gaza. Pray for the nation's defenses to hold against attack.
- Pray for all of Israel's leaders to know the times and what Israel needs to do (1 Chr 12:32). May the government seek God and obey His voice so He can truly bless them (Ps 33:12).
- Pray for trials and tribulations to remove the veil over the eyes of God's chosen people so that they will receive Yeshua as their Messiah and the whole earth will know that He is God (Is 37:20; Ps 2:1-6).
