

The disturbing plan for a

SPIRIT OF VIOLENCE

An orchestrated plan to usher in chaos and violence in America

An IFA Special Report

Seattle. Portland. Los Angeles. Dallas. Violence has erupted in these progressive-led cities as the Trump Administration makes good on a promise to remove and deport those who have illegally entered our nation. Of the nearly 50,000 illegals detailed in 2025, 55% of them have been convicted of a crime or have pending criminal charges against them. **As illegal entrants into our nation, 100% of them have broken the law.** Why is there such a push against removing these people from within our country? **Who is behind these efforts to push back on these deportations?** Why would they want to keep even those who have a criminal record in our nation unfettered by our law enforcement? **What is the purpose of the chaos they are sowing in our nation?**

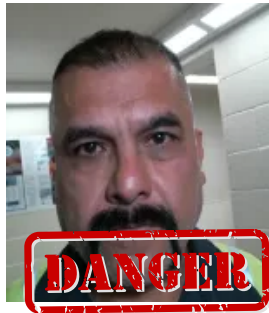

This report provides intelligence about this growing spirit of violence rising up in our nation, the spiritual aspect and impact, and how *you* can pray effectively.

Who's being deported?

The Trump administration prioritized deporting noncitizens with convictions for violent crimes like homicide, sexual assault, and gang-related offenses (e.g., MS-13, Tren de Aragua). Some of the other deportees, especially under the Alien Enemies Act, did not necessarily have U.S. criminal records but were targeted based on foreign violent criminal convictions or suspected gang affiliations.

Kilmar Abrego Garcia, promoted by the left as the “**Maryland Dad**” is the poster child for the left’s anti-deportation campaign. Garcia was deported but brought back after a liberal judge ruled that he did not get due process. **He is no father of the year, allegedly moving illegal immigrants from Texas to interior states in what prosecutors say was an organized operation stretching back years.** He has also been accused of being a member of the violent Salvadoran gang MS-13. According to court records filed by his wife, Jennifer Vasquez Sura, he also allegedly physically abused her on multiple occasions.

According to DHS, here are just some of the illegal aliens targeted for deportation. Are these the kinds of people **progressives are actually fighting to keep in our country**--and why? It makes no sense that any American or American group would seek so vehemently to keep these criminals in our nation unless there was another purpose behind it.

Lionel Sanchez-Laguna

Laguna's criminal record includes convictions in Orange, California, for **shooting** at an occupied residence and vehicle, resulting in a one-year jail term; **domestic violence** against a spouse or partner, leading to four years of probation; **child endangerment**, also with four years of probation; driving while intoxicated, with a ten-day jail sentence; assault with a semi-automatic weapon, resulting in a three-year prison term; and illegal use of a firearm, carrying a three-year prison sentence.

Kyaw Mya

Kyaw Mya, a Myanmar native residing in Iowa, was found guilty of **sexually assaulting a child under 12** and received a 10-year prison sentence, as reported by the Department of Homeland Security. In 2021, an immigration judge issued a deportation order for Mya, which was upheld after his appeal was denied in 2023. Mya was taken into custody by ICE in February.

Eswin Uriel Castro

Castro is a **previously deported illegal alien**. He has criminal convictions for **child molestation** and being armed with a dangerous weapon. He has also been arrested for **robbery and domestic violence**.

Anastacio Enrique Solis-Salinas

Anastacio Enrique Solis-Salinas is an illegal alien who is a **convicted criminal from Nicaragua**. His criminal history includes convictions for **domestic violence, and hit and run**. Additionally, he's been arrested for **willful cruelty to a child**.

The Disturbing Explosion of a Spirit of Violence.

Sowing Chaos is the Goal

What was originally pushback and talking points from the left on deportations for dangerous illegals, has grown into a coordinated and slick PR campaign with backing from the usual suspects of progressive organizations and donors. This threat is not an empty one. 83% of the nation are solidly behind the Trump Administration's deportation of dangerous and convicted illegals, but the left is not wasting this opportunity for a riot. Chaos brings the opportunity for other forces to enter to bring "stability" and government control. It erodes our law and order.

"No Kings" is the name of the cause. Remarkably similar in tactic and support to past protest movements such as **Occupy Wall Street, Black Lives Matter, and Antifa, this is a repackaged attempt at sowing chaos and breaking down law and order in our nation.** The stakes are higher for them as the Trump Administration is making a dent in the systems that have served their cause. Government funding of these groups through USAID grants, lawfare against the President, removal of DEI, CRT, and other harmful ideologies. They are all in.

We must recognize these tactics as being Marxist in nature with the end goal of the implosion of our nation. ([Read more about these Marxist tactics in our Special Report here.](#))

The message behind this latest cause-du-jour is that President Trump has no authority to lead the nation as President, likening his efforts in the Executive Office as that of a king. **No Thrones. No Crowns. No Kings.** That's their catchy message that paints this Administration as an unelected monarchy. It plays for those who don't understand how our system of government works. One of the most commonly-used tactics of the left is to accuse your opponent of what you are doing. **Ironically, it is the unelected district judges and lawyers that are inserting themselves into the Administration's actions, and we are actually seeing a leftist judicial oligarchy impacting governance--unconstitutionally.**

At least 1,500 cities have protests planned. It will be called "No Kings Day" and is said to be protesting due to this Administration's handling of immigration related policies. The website www.nokings.org says, "In America, We Don't Do Kings and is calling for "protests" for people to show they're tired of corruption; however, what has happened in Los Angeles is an example to the world. These are not protests but glorified violence. This date is no coincidence. It is on President Trump's 79th birthday and the Army's 250th Birthday Parade.

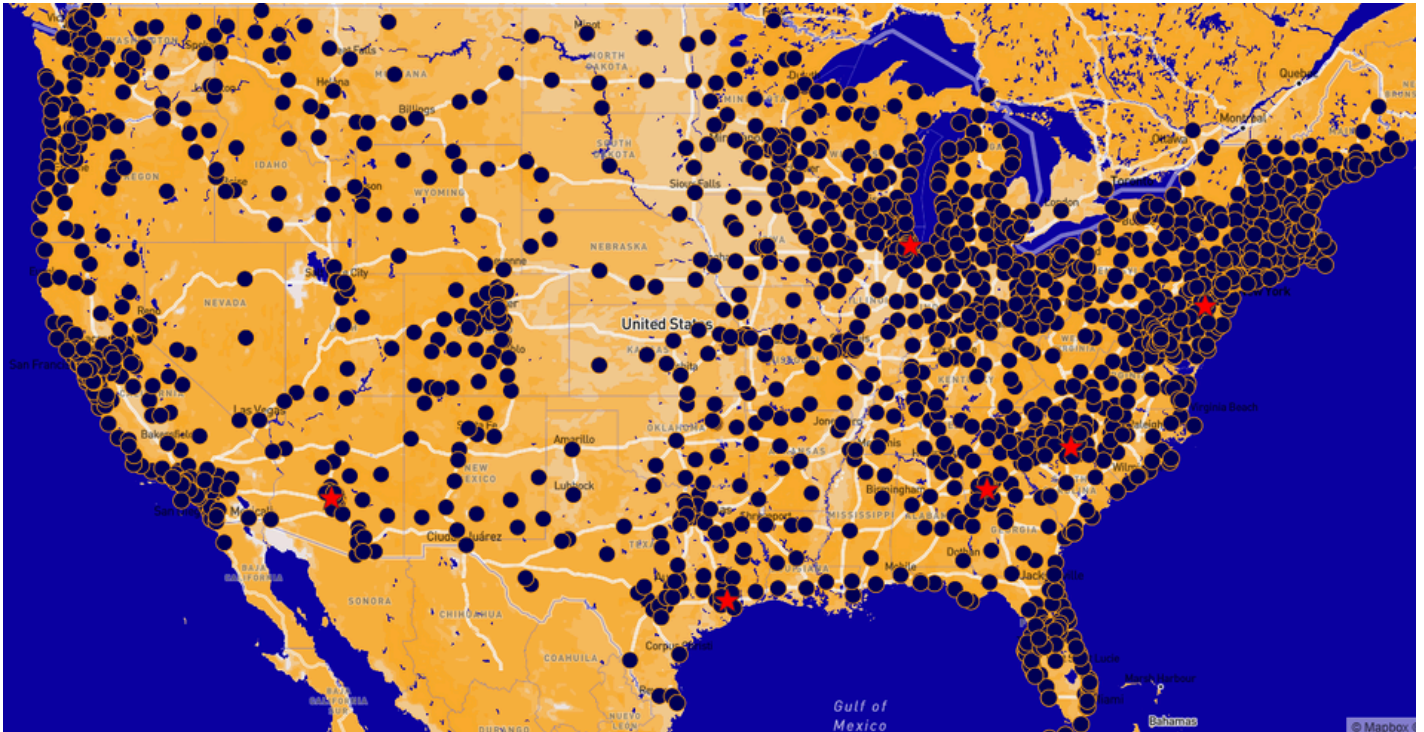

Who is leading this 'No Kings' effort?

Indivisible is the group at the center of the organizing of this movement. **Ezra Levin and Leah Greenburg**, two liberal former Congressional staffers, are the founders of the Indivisible movement that started as a reaction to the first Trump election. It has been the organizing group for many of the progressive community organizing efforts. Their signature publication,

The Disturbing Explosion of a Spirit of Violence.

Indivisible: A Practical Guide for Resisting the Trump Agenda, was downloaded over 1 million times. They serve as a messaging hub and gathering point for many progressive efforts, well funded and well organized. Reports are that there have even been Craigslist ads for robust participants in Los Angeles and other cities as hired thugs and faux grassroots protestors.

Other threats coincide

At the same time that 1500+ protests are planned across the nation, creating dangerous conditions for our law enforcement and nearby citizens, **Al-Qaeda leader Sa'ad Bin Atef Al-Awlaki released a deranged 30-minute rant and call for attacks against the governmental leaders of the United States and our nation.**

"I call upon every Muslim in the infidel, criminal, and arrogant United States – and it does not matter if they are of Arab, American or other descent, what matters is that they should be Muslims whose Prophet is Muhammad, and there are 4.5 million Muslims in America alone – I am saying to all of them: Take revenge! Take revenge! Do not consult anyone about killing infidel Americans. You should have a lot of determination, and the list of your targets should be effective. Go after the scum of the earth and its greatest criminals. These are Trump and his vice president, his advisor [Elon Musk], and his supporter in terms of finance, administration, and technology. These are his Secretary of State and his Secretary of Defense. Go after them and their families and all those who have any ties or are close to the politicians of the White House. There are no red lines after all that has been happening to our people in Gaza."

Al-Awlaki also called for Muslims to conduct cyber-attacks to hit the U.S. economy. "I say to the Knights of hacking, the so-called 'hackers' among Muslims, and all the free people on earth who reject killing and crimes: Go after the American economy, as well as the economies of the Gulf countries that support and finance the Jews and the Americans," he said.

We know that there are many forces that seek to bring destruction on our nation, our leaders, and our citizens. The alliance of Marxists, globalists, Muslims, and progressives all seeks to come against our Constitution, our Judeo-Christian values, our biblical foundations, and ultimately the God behind our nation. Our war is not against flesh and blood as scripture tells us. And who is better equipped to fight this spiritual battle than intercessors?

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.

Ephesians 6:12

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

The byline on No Kings says, “On June 14th, we rise up,” we must also rise to the occasion and appeal to our King on behalf of our nation. *Because of Christ and our faith in him, we can now come boldly and confidently into God's presence* (Ephesians 3:12 NLT).

Pray for the angels of the Lord to protect our cities and innocent bystanders.

The angel of the Lord encamps around those who fear him, and delivers them (Psalm 34:7).

Pray for protection over the military, National Guard, law enforcement, and ICE agents in the line of fire during these protests. *Though I walk in the midst of trouble, you preserve my life; you stretch out your hand against the wrath of my enemies, and your right hand delivers me* (Psalm 138:7).

Pray for all law enforcement, ICE, and all agents to act with wisdom and avoid baiting or traps set for them. *How useless to spread a net where every bird can see it* (Proverbs 1:17 NIV).

Pray for our elected officials to act with wisdom and condemn and prosecute any acts of violence. *Scoffers set a city afire [by stirring up trouble], But wise men turn away anger [and restore order with their good judgment]* (Proverbs 29:8 AMP).

The enemy would love nothing more than to see widespread destruction of people and cities. We see violence being planned for our towns, but intercessors know there are demonic spirits at work behind the protests. *For our struggle is not against flesh and blood [contending only with physical opponents], but against the rulers, against the powers, against the world forces of this [present] darkness, against the spiritual forces of wickedness in the heavenly (supernatural) places* (Ephesians 6:12).

Ask the Lord to bind the strongmen of chaos, murder, rebellion that have been loosed in this nation and seek to wreak havoc and create another civil war.

Or how can one enter a strong man's house and plunder his goods, unless he first binds the strong man? And then he will plunder his house (Matthew 12:29).

Pray for God to release his warring angels against the principalities. *Then he continued, “Do not be afraid, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I have come in response to them. But the prince of the Persian kingdom resisted me twenty-one days. Then Michael, one of the chief princes, came to help me, because I was detained there with the king of Persia* (Daniel 12:12-13 NIV).

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

Pray these enemies of God will be placed under His footstool. *The Lord said to my Lord, "Sit at My right hand, Till I make Your enemies Your footstool?" (Matthew 22:44).*

 **If your city is hosting a protest, be sensitive to what the Holy Spirit is speaking to you. If you feel the need to repent on behalf of your leaders, or if you're being led to fast, or take communion, be obedient. Intercede as He leads you.**

God is Jehovah Shalom, our only trustworthy source of peace, and Yeshua is the Prince of Peace. It is not the absence of troubles, but His Presence in the midst of them. The word "shalom" means wholeness, nothing lacking, but also means "to destroy the authority attached to chaos."

Release a blessing over your city (see [Jeremiah 29:7](#), [Numbers 6:24-26](#)).

Release the "Shalom" of God that crushes the authority attached to any chaos in your city and nation. *And the God of peace will crush Satan under your feet shortly. The grace of our Lord Jesus Christ be with you, Amen (Romans 16:20).*

 Many who have swept up in the protests are the younger generations. They have a genuine heart for justice, yet they don't see how they are being manipulated and used. **Pray for the younger generations, who have been deceived into believing the lies of socialism and Marxism and will be attending these protests. Pray for their eyes to be opened to the demonic roots of these movements.** *Satan, who is the god of this world, has blinded the minds of those who don't believe. They are unable to see the glorious light of the Good News. They don't understand this message about the glory of Christ, who is the exact likeness of God (2 Corinthians 4:4 NLT).*

Pray for the scales to fall from their eyes so that they can see Jesus and encounter His truth and love, and be set free. *Immediately, there fell from his eyes something like scales, and he received his sight at once; and he arose and was baptized (Acts 9:18).*

Then you will know the truth, and the truth will set you free (John 8:32 NIV).

 The Bible says, There is nothing new under the sun. We are seeing brick pallets, masks, and gear being provided for the protestors. The connections are proving to be Marxist connections that long to rule this nation and strip us of our liberties.

Pray for widespread media coverage and exposure of the significant funding behind these protests. *For there is nothing hidden which will not be revealed, nor has anything been kept secret but that it should come to light (Mark 4:22).*

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

Pray that God will expose the globalists' dark roots and plans for America. *He reveals deep and secret things; He knows what is in the darkness, and light dwells with Him (Daniel 2:22).*

Pray for justice to be done against those who are conspiring against this nation. *But let justice roll down like waters, and righteousness like an ever-flowing stream (Amos 5:24 ESV).*

Pray that leaders who are stirring evil will lose their seat of influence and let a righteous person take that seat. *And He changes the times and the seasons; he removes kings and raises up kings; He gives wisdom to the wise and knowledge to those who have understanding. (Daniel 2:21).*

Pray that God will thwart the enemy's plans for these protests and make them unfruitful.

The Lord brings the counsel of the nations to nothing; he frustrates the plans of the peoples. (Psalm 33:10 ESV).

He thwarts the schemes of the crafty, so that their hands find no success (Job 5:12).

An Islamic leader has called for Muslims to assassinate President Trump and his Cabinet members. This threat is real, considering our nation has entire cities that have massive Muslim compounds. Weeks before this announcement, several intercessors were already hearing from the Lord about praying for him against assassination attempts. God was revealing the enemy's plans.

Pray that any attempts made against President Trump's life and his administration will not prosper. *My times are in Your hands; deliver me from my enemies and from those who pursue me (Psalm 31:15).*

No weapon formed against you shall prosper, and every tongue which rises against you in judgment you shall condemn. This is the heritage of the servants of the Lord, and their righteousness is from Me, " says the Lord (Isaiah 54:17).

Pray for angelic protection over him and the administration. *For he will command his angels concerning you to guard you in all your ways. On their hands they will bear you up, lest you strike your foot against a stone (Psalm 91:11-12 ESV).*

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

Some have speculated that President Trump is being tested and could lead us into martial law, and this is precisely what the enemy wants. **Pray that lying lips will be silenced and that any bad counsel being given to him will be negated with wise, godly counsel.**

Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers (Psalm 1:1 ESV).

Then someone told David, saying, "Ahithophel is among the conspirators with Absalom." And David said, "O LORD, I pray, turn the counsel of Ahithophel into foolishness (2 Samuel 15:31)!"

Pray for wisdom and discernment for President Trump on handling the protests.

For the Lord gives wisdom, from his mouth come knowledge and understanding (Proverbs 2:6 NIV).

When wisdom enters your heart, and knowledge is pleasant to your soul, Discretion will preserve you; Understanding will keep you to deliver you from the way of evil (Proverbs 2:10-12).

Pray that the Spirit of God will lead our President. *I will instruct you and teach you the way you should go; I will give you counsel and watch over you (Psalm 32:8).*

You guide me with your counsel, leading me to a glorious destiny (Psalm 73:24 NLT).

While hearing about chaos can stir a range of emotions in believers, including anger and frustration, many are succumbing to fear. This is yet another tool of the enemy. It is the opposite spirit of faith. We have no reason to fear when we are seated in heavenly places with Christ. **Pray against a spirit of fear trying to invade the land and even the church.** *For God has not given us a spirit of fear, but of power and of love and of a sound mind (2 Timothy 1:7).*

The church has always been a part of God's plan here on Earth. We display His wisdom. We are called to be a light in the darkness, the salt of the Earth, and a city on a Hill. We are His ambassadors for His kingdom here on earth, and we have been given authority. Let's use it! *God's purpose in all this was to use the church to display his wisdom in its rich variety to all the unseen rulers and authorities in the heavenly places (Ephesians 3:10 NLT).*

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

Pray for the mighty ekklesia to arise and shine and show forth the glory of the Lord in this time of spiritual darkness. *"You are the salt of the earth, but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. "You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven (Matthew 5:13-16).*

Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits (Daniel 11:32).

Pray for the church to arise in true unity, as one for cities and the nation, and our need for Jesus Christ. *But Jesus knew their thoughts, and said to them: "Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand. If Satan casts out Satan, he is divided against himself (Matthew 12:25).*

I, therefore, a prisoner for the Lord, urge you to walk in a manner worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit—just as you were called to the one hope that belongs to your call— one Lord, one faith, one baptism, one God and Father of all, who is over all and through all and in all (Ephesians 4:1-6 ESV).

In Seattle, weeks before the protests began, widespread worship was happening in cities. Many cities are continuing to do this with outdoor worship and planned Jesus marches nationwide.

Worship and praise are a mighty weapon. Judah always went first into battle. An Intercessor reminded me recently that when Jehosophat was surrounded by his enemies and prayed, *"Lord, we don't know what to do but our eyes are on you,"* he placed the worshippers on the front line.

Lift your voice in praise, because God not only inhabits the praises of His people, but He is enthroned upon our praises. Enthroned Him over your city and this nation with your praise and worship.

Declare what Jehosopahat declared, 'Give thanks to the Lord, for his love endures forever.'

The Disturbing Explosion of a Spirit of Violence.

Prayer Points

Early in the morning, they left for the Desert of Tekoa. As they set out, Jehoshaphat stood and said, "Listen to me, Judah and people of Jerusalem! Have faith in the Lord your God and you will be upheld; have faith in his prophets and you will be successful." After consulting the people, Jehoshaphat appointed men to sing to the Lord and to praise him for the splendor of his holiness as they went out at the head of the army, saying: "Give thanks to the Lord, for his love endures forever (2 Chronicles 20:20-22).

Declare that Christ is victorious over these protests and every plan of the enemy. *For everyone who has been born of God overcomes the world. And this is the victory that has overcome the world—our faith (1 John 5:4 ESV).*

But thanks be to God, who gives us the victory through our Lord Jesus Christ (1 Corinthians 15:57 ESV).

Having disarmed principalities and powers, He made a public spectacle of them, triumphing over them in it (Colossians 2:15).

However, we speak wisdom among those who are mature, yet not the wisdom of this age, nor of the rulers of this age, who are coming to nothing. But we speak the wisdom of God in a mystery, the hidden wisdom which God ordained before the ages for our glory, which none of the rulers of this age knew; for had they known, they would not have crucified the Lord of glory (1 Corinthians 2:6-8).
